EXT. CALVIN'S BACK YARD - LATER

Jack and Nick approach Calvin's house. Suddenly Calvin walks out, dribbling a basketball. They duck behind a fence as he disappears, shouting to his friends. Nick is sweating.

NICK

Dude I can't do this. This is Calvin's house. CALVIN'S house! Your action figure is gone Jack, can't you just get another?

JACK

No, I can't just "get another." That figure is limited edition! You can stay out here and stand guard if you want, but I'm gonna go in there and take my limited edition Bruce Jones action figure back from that gorilla!

NICK

Fine, but if we get caught this was YOUR idea! And you need some camo.

JACK

Dude I am not taking camo lessons from you.

NICK

Why? What's that supposed to mean?

JACK

(off Nick's "ghillie suit")
Nothing, nevermind... I'm going in.

Jack takes a deep breath and makes a move for the back door.

INT. CALVIN'S HOUSE

Jack enters. He spots the stairs and starts sneaking up.

JACK

(into walkie)
HQ this is EAGLE-1, I am climbing up the stairs.

NICK (V.O.)

Copy tha- wait, I wanna be EAGLE-1.

(CONTINUED)

JACK

Okay, you can be EAGLE-1 and I'll
be SKYHAWK.

NICK (V.O.)

But... that's cooler than EAGLE-1.

JACK

Be quiet EAGLE-1, I found his room.

Jack heads for a door covered in skull and blood posters.
