EXT. HOME (BACKYARD) - MORNING (BACK TO PRESENT)

Charlie looks up at Sara.

SARA
I know...it's never easy.

CHARLIE
What's going to happen to me?

Sara takes a long time before she says anything.

SARA
It's time.

Charlie looks from her mom to Sara. Without saying anything, she nods. Charlie walks over to her mom, still holding the picture. Charlie sits down in front of her and goes to take her hand, but changes her mind. She looks up at her mom's face, but Kris obviously does not notice Charlie.

CHARLIE
(pleading; sobbing)
Mom...please...it's me. Just...look
at me.

Charlie composes herself and wipes away her tears.

CHARLIE
(awkwardly)
Um...mom? I guess-

Charlie changes her mind about what she was going to say and starts again, breaking up her words so she can stop from crying.

CHARLIE
I don't...don't know what to do. I
need you. I need you to tell me
it's OK. I just...I never saw what
I had...and now I...I never let you
know how much I needed you...and...

Charlie begins to cry.

CHARLIE
And now I don't get a chance.

Charlie looks up at Sara. She gives her a sympathetic look, but then jerks her head to the side, indicating they need to leave.

(CONTINUED)

CHARLIE

I gotta go now, mom.

Charlie kisses the top of her mom's head and walks over to stand by Sara. She closes her eyes.
