"As Easy As It Looks"

EXT. STREET - DAY

Rae races her bike toward the girl in the street whose arms are spread as she screams at the sky. Rae narrowly veers around her, snapping the girl out of her trance.

RAE

Dude!

Willa remains composed.

WILLA

It's Willa.

RAE

Why, Willa?

WILLA

Cuz my daddy said I was made under  
an big, old willow tree.

Rae takes a long look at the girl and sighs.

RAE

So literal! That's not what I  
meant. Why are you...

Rae imitates her pose. Willa straightens her posture.

RAE (CONT'D)

...this?

WILLA

I'm practicing.

RAE

Oh. Good?

WILLA

Getting struck by lightning is not  
as easy as it looks, ya know.

Rae stares at her, still unsure what to think about getting herself involved in this.

RAE

Okay, well if you're safe  
then...good.

She turns to leave and looks up at the cloudless sky, then back at Willa. Rae sees nothing but pure disappointment in her.

(CONTINUED)

RAE

Ugh. You want company?

Willa shrugs her shoulders attempting to play it cool. Rae copies her move.
